PIEMONTE DOC BONARDA

COLOUR	Deep red, slightly crisp.
AROMA	Persistent, with hints of well-rip fruit.
FLAVOUR-TASTE	Full-bodied and complex, though delicate.
FOOD PAIRING	A demanding wine that deserves to be served with exquisite, light dishes.
BEST SERVED AT	20 – 22°C
	<p>The Bonarda grape is grown in Piedmont in just a few areas where soil conditions are fair.</p> <p>Where these soil requirements are met, the Bonarda vine produces high quality grapes, and the resulting wine has unique organoleptic characteristics.</p>
